At hayakawa uk, we can supply cable assemblies and components bespoke to the needs of your organisation.

QUALITY AND ENVIRONMENT

Hayakawa UK is an environmentally responsible business. Stringent Eco consideration is given to all our products and services and with full ISO14001 certification we guarantee our supply chain meets all industry standard requirements including ELV / RoHS / REACH.

At Hayakawa UK, quality counts. We believe that exceeding customer expectations is key to our ongoing success. Our customer service-focused approach 'right first time, every time' puts client satisfaction at the core of all we do.

CERTIFICATIONS AND MEMBERSHIPS:

BASIC QUALITY PHILOSOPHY IS:

DON'T ACCEPT IT DON'T MAKE IT DON'T PASS IT ON

Hayakawa Global are IMDS registered and have overseas factories XRF test equipment that enables independent verification of substance content in materials used in our products.

In addition, all of our factories are certified to ISO9001 and ISO14001 EMS and most have TSI6949.

HAYAKAWA IS COMMITTED TO MINIMISING WASTE: REDUCE, REUSE, RECYCLE

OUR PEOPLE

OUR TEAM OF PASSIONATE AND DEDICATED WORKERS ARE THE SECRET TO HAYAKAWA'S SUCCESS

PEOPLE MATTER

Hayakawa UK are grateful to our loyal, professional staff that have been with us for the long term. They are dedicated to providing our customers with superior wire harness products, support and customer service. Our continued success has been built on establishing trust with our customers and by continuing to meet and exceed expectations.

WHAT'S NEW AT HAYAKAWA UK?

Milestone

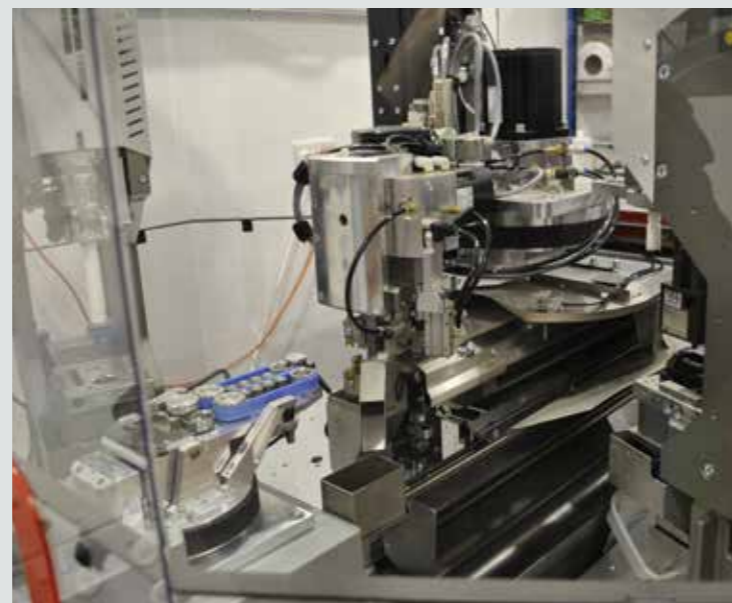

We are celebrating 30 years of wire harness excellence!

Innovation

We are continuing to invest in new, high-tech machinery and new technology.

Expansion

We are excited to be expanding our UK Operations by building a new 2 storey extension.

OUR LEADERSHIP TEAM

Director: Devinder Bansal

Email: dbansal@hayakawa.co.uk

As Director, Devinder is responsible for key decision making in the company, which in turn leads to the quality service and products that our valued customers enjoy. Devinder develops essential strategic marketing, production and technical service plans for Hayakawa UK and is the figurehead for creating an efficient, productive and happy working environment.

Senior Engineer: Pat Collins

Email: pcollins@hayakawa.co.uk

Over a period of 30 years, Pat has gained a wide range of experience in the design and production of Electronic Industrial and Educational training equipment, test equipment and sub-contract assembly for a variety of industries such as catering, MOD and intrinsic safety.

Assistant Manager Sales & Purchasing:

Vicky Evans

Email: VEvans@hayakawa.co.uk

Vicky's duties include understanding Hayakawa's needs based on stock, inventory and plans. Vicky is also responsible for the development of successful relationships with suppliers and distributors whilst ensuring that the required products are always in stock.
